

Long-service recognition certificates

The AMANB will be presenting long-service recognition certificates at this year's annual banquet. We ask for your help in identifying members who deserve such certificates.

Criteria for Long Form Certificates:

Each recipient must be a current member of the AMANB for at least five years. A certificate will be awarded to members who have accumulated 5 years of employment in municipal administration and for each five-year period thereafter. Please indicate the names of those entitled to receive such a certificate, as well as the number of years they have been in practice, i.e. 5, 10, 15, 20, 25, 30, 35, 40 years, etc.
